

Please use the following Bio information for John when promoting his role at your event.

John Lindo is an invaluable presence at West Coast Swing Dance events - from international conventions to regional workshops, John teaches, judges, coaches, choreographs, and is one of the most sought-after DJs on the circuit. But all of that pales in comparison to the way John consistently wows crowds with his exciting and entertaining competitive dancing.

John is the co-founder and owner of Liberty Swing Dance Championships, one of the top events in the U.S., as well as majority owner and event director of the U.S. Open Swing Championships, along with having a hand in other regional events around the country. He is the recipient of numerous awards and acknowledgments, and is also very active on the oversight side, serving on boards for NASDE, WSDC and Gotham Swing Club.
